AGENDA ITEM SUMMARY**

Meeting Date: April 19, 2006 - KW

Division: County Attorney

Bulk Item: Yes ☐ No ☒

Department: County Attorney

Staff Contact Person: Suzanne A. Hutton

AGENDA ITEM WORDING:

Approval to advertise a public hearing regarding changes to Chapter 3, Animal Control, Monroe County Code, and direction from the Board of County Commissioners as to the specific changes to be advertised.

ITEM BACKGROUND:

USFWS, the Nature Conservancy, the County's animal control contractors, County offices, members of the Commission and members of the public have been attempting for some time to address the issues surrounding curtailing the feral cat population and its impact on endangered species. It was determined a County Ordinance enforceable by animal control officers through a citation system, and other means, would help with this particular impact on habitat. Similarly, a positive impact on the environment was deemed likely if spay/neuter was mandatory, but allowing for a lawful exclusion. Chapter 3 was re-written to incorporate agreed upon changes, changes indicated as useful, and changes indicated by a model code and plan for pet-friendly ordinances, as well as much of the applicable statutes to enhance local enforcement.

On 2/15/06 the Board approved advertising a Notice of Intention to Consider Adoption of an Ordinance amending Chapter 3, Monroe County Code. The Notice (copy attached) was published on two separate dates in all three area newspapers prior to the public hearing as follows: The Reporter (3/3/06 and 3/10/06), The Keynoter (3/4/06 and 3/11/06) and The Key West Citizen (3/5/06 and 3/12/06). The Public Hearing was placed on the agenda for the 3/15/06 BOCC Meeting held in Marathon, Florida and advertised as Agenda Item Q-2. The public hearing was held on 3/15/06. Following the public hearing, the Board approved the Ordinance which was subsequently recorded as *Ordinance No 006 - 2006*.

Since that time, complaints have come from veterinarians and the public regarding the spay/neuter requirements at four (4) months. Currently this Ordinance, specifically **Section 3-13, Neutering of dogs and cats**, requires spay/neuter of a dog or cat at four (4) months of age or, if you choose not to spay/neuter, you must obtain an annual license for a fee of \$500 per animal.

PREVIOUS RELEVANT BOCC ACTION:

3/15/06, a public hearing was held and the Board adopted *Ordinance No. 006- 2006* amending Chapter 3, Monroe County Code.
